Classroom

Auditorium Building 70

Smaller groups can utilize the smaller auditorium located in building 70. This auditorium seat up to 100 persons. Inside building 70 there are also two medum briefing areas. Each briefing area seats up to 16 persons. The briefing rooms are designed for classified briefings. High-tech audio/visual equipment and wireless capability is available in the auditorium as well as the briefing rooms.

Auditorium Building 65 & “The Quads”

If you are looking for a spacious area which can hold several small groups, then Building 65 has what you need. Building 65 offers an even smaller auditorium, which seats up to 90 persons. There are also four large breakout areas that can hold between 12-20 persons. Are you needing to go even smaller? If so there are an additional eight small briefing areas which can hold between four to six persons. Building 65 also has one classified small briefing area. Like the rest of our conference areas, there is also high-tech audio/visual equipment.

“The Quads” have four multipurpose buildings adjacent to Building 65 with 50 folding chairs and tables.
